Expert Witness and Consultant on USPTO Practice and Procedure
October 2009 to Date

Cases

- Listed in Appendix A

Other Patent Practice and Procedure Work
October 2009 to Present

- Moderated Panel Discussion of Hot Topics in Patent Law for the 9th Annual Symposium at George Mason University School of Law
- Lectured on current USPTO practice and procedure as well as current Office programs to promote green, expedited and quality Patent Application examination – Wisconsin Alumni Research Foundation (WARF).
- Worked with Ditthavong Mori & Steiner (Alexandria Virginia and Osaka Japan) to recruit new clients in Japan by presenting the firms' ability to advantageously use current USPTO practice and procedure to promote early patent grants and addressed the International Association for the Protection of Intellectual Property of Japan (AIPPI).
- Worked with CGI International, Fairfax Virginia, to provide subject matter expertise with respect to the patent filing, examination through issue / abandonment / appeal process for an Information Technology XML Patent end to end process.
- Served on the Cloud Pharmaceuticals, Axxiom/Viropro and AccelBio Board of Directors to provide policy decisions and oversight as well as specifically directing patent strategy and prosecution with respect to in silico drug design and development.
- Providing The Broad Institute with subject matter expertise regarding all patent aspects of their CRISPR patent filings and prosecution proceedings as well as lecturing with respect to USPTO practice and procedure.

USPTO Experience

September 1974 to October 2009

Acting Under Secretary of Commerce for Intellectual Property and Acting Director of the United States Patent and Trademark Office

January 2009 to August 2009

Served as the Acting Under Secretary and Acting Director of the United States Patent and Trademark Office during the change of Administration. As the Acting Under Secretary, advised the President, the Secretary of Commerce, and the Administration about all intellectual property matters. As Acting Director, administered the laws of granting Patents and Trademarks, and the day-to-day management of the \$2.1 billion Agency for over 10,000 employees. Developed and articulated Administration positions on all Patent, Trademark and Copyright issues while promoting strong Intellectual Property policy globally, including strategies to thwart the theft of U.S. Intellectual Property around the world.

Deputy Under Secretary of Commerce for Intellectual Property and Deputy Director of the United States Patent and Trademark Office

November 2008 to September 2009

Assisted the Under Secretary in developing and promoting Administration positions on all Patent, Trademark and Copyright issues domestically and internationally. Served as the Chief Operating Officer in planning, measuring and improving the mission performance and achievement of the Agency. Responsible for maintaining and growing domestic and international leadership roles in Intellectual Property Rights policy by strengthening Intellectual Property protection. Also responsible for providing customers with the highest levels of quality and service in all aspects of Agency operations.

Commissioner for Patents

August 2005 to October 2009

Appointed by the Secretary of Commerce and served as the Chief Operating Officer for all aspects of patent related operations, planning and policy with the mission of properly applying the patent laws and regulations of the United States in the examination of patent applications. Oversaw a budget of \$1.3 billion and a staff of over 7000 employees. Responsible for Patent's strategic planning and execution, budget formulation and execution, information technology systems, staffing, employee development, labor management relations, customer outreach, congressional relations, public advisory committee relations, and patent policy formulation.

Acting Commissioner for Patents

April 2005 to August 2005

Appointed by the Under Secretary of Commerce for Intellectual Property and the Director of the United States Patent and Trademark Office to perform the duties of the Commissioner for Patents until the Secretary of Commerce appointed a new Commissioner for Patents.

Deputy Commissioner for Patent Resources and Planning

January 2005 to August 2005

Responsible for the formulation and execution of the \$1.3 billion budget as well as strategic planning for the Patent Office

Special Assistant to the Director of the United States Patent and Trademark Office

March 2004 to January 2005

Provided technical, examination and legal advice on all Patent related issues

Director of Patent Examination Technology Center

August 1992 to January 2005

Responsible for all patent examination issues in the chemistry, chemical engineering, pharmaceutical, biotechnology and design art areas

Patent Examiner, Supervisory Patent Examiner, Quality Assurance Examiner

September 1974 to August 1992

Examined and supervised the examination of patent applications encompassing pharmaceuticals, herbicides, pesticides, dyestuffs, inorganic chemistry, hydrometallurgy, zeolite catalysts, buckminsterfullerenes, proteins, and peptides

Awards

The Department of Commerce Bronze Medal for examination and supervisory accomplishments, a second Bronze Medal for the implementation of Patent Application Location and Monitoring (PALM) system, the Department of Commerce Silver Medal for the development of automated examiner office action tools, the Department of Commerce Gold Medal for implementation of the Image File Wrapper system, and the Vice President's Hammer Award for establishing the Biotechnology Customer Partnership.
